ROSS UNIVERSITY
SCHOOL OF VETERINARY MEDICINE

August 18, 2015

Dear Mr Galligan

The failed grade you earned for the May to August 2015 semester is:

Small Animal Medicine I

F

As you earned one (1) failing grade, and your Semester GPA is below the requisite 2.0, I write to advise of your dismissal from Ross University, in accordance with the Academic Rules and Regulations of the institution.

According to the Student Handbook (May 2015), Section 2.9 highlights conditions resulting in the dismissal as:

Receiving three F or WF grades during the pre-clinical program (Semesters 1-7)

If you wish to appeal this decision, according to Section 2.10 of the student handbook:

Pre-clinical students who wish to appeal a dismissal shall submit a letter of appeal, and appropriate documentation as may be required by the ARC, to the Associate Dean for Student and Alumni Affairs

The appeal letter should state:

- How the student views his/her level of preparation for the course prior to the start of the class.*
- Any extenuating circumstances which contributed to the student's dismissal*
- If reinstated, the student's plan(s) for improving his/her academic outcomes.*

Please submit your letter and documentation on or before August 28, 2015 by email to Dr. St. Jean at GSt.Jean@rossvet.edu.kn.

Sincerely,

Daniella N. Hickling
University Registrar
